Energy Sources

Fossil Fuels: COAL • OIL • NATURAL GAS • NUCLEAR • OIL SHALE

Renewable Energy: WIND • SOLAR • WAVES

Biofuels: WASTE • AGRICULTURE PRODUCTS

American Energy Diversity Group

Embracing diversity must be a part of our 21st Century!

Come help set the agenda for **job inclusion** and new **business opportunities**.

Come **meet, network and connect** with other employees and retirees in this industry and listen to what others have to say.

Together we can bring ethnic minority businesses and the ethnic minority workforce together to **shape our economic future**.

Help us **reduce unemployment** in the African American communities.

As companies seek governmental approval for their new energy projects, we must **hold our Washington elected officials accountable** so that ethnic minorities are no longer excluded.

**Baton Rouge American Energy Diversity Group Meeting
Belle of Baton Rouge Hotel & Casino
Saturday, July 12, 2014**

American Energy Diversity Group is hosting a meeting with all Ethnic Minority energy workers and retirees from **Oil and Gas, Nuclear Power and Chemical Industries**. The meeting will take place on **Saturday, July 12, 2014 from 3:00 p.m. – 5:00 p.m.** at the Belle of Baton Rouge Hotel & Casino, located at 103 France Street, Baton Rouge, Louisiana.

The purpose of the meeting is to set the **October Conference Agenda** with topics and discussion that will include expanding ethnic minority business opportunities and fair hiring practices in the Energy Industry. Each year, billions of dollars in new energy projects are approved by both the **Senate and Congressional Energy Committees** with little to no ethnic minority participation. Come learn what you should know to build your business and career in this industry.

We welcome your input, comments, suggestions and ideas for the conference agenda to help reach our goals. **The meeting is free of charge to everyone**. The public is invited to come and be a part of this important meeting.

For more information, contact Glenn Heckard at 318-654-4089.

Space is limited. RSVP by leaving a message at 318-654-4089.
